Use of Trial Numbers

The listed Suggested Trial Numbers have been assessed by the RYA on the basis of very limited Return information.

They may nevertheless provide useful indicators to assist clubs when allocating their own Trial Numbers. Should a club use a Trial Number and not review this after racing (see 9.1 in Use of the Scheme) then it's race committee might be the subject of a request for redress under the racing rules of sailing

* Development classes where the Portsmouth Number is likely to vary depending on the age and design of the boats.

Clubs should consider adjusting the Number where it does not reflect the performance of a particular boat (excluding Crew Skill Factor)
